## About Conference

Rawalpindi Women University is hosting its 3rd International Conference on Social Sciences, aiming to address global challenges. The conference focuses on the United Nations Sustainable Development Goals (SDGs), will feature interdisciplinary dialogues aimed at achieving tangible impact. The conference will cover various fields, including Business Administration, Fine Arts, Media & Communication Studies, Political Science, Psychology and Sociology. Thematic tracks will explore social implications of social research in various fields. The university invites scholars, academicians, social scientists, policy makers and participants from around the world to join the intellectual journey, deepening understanding, fostering collaborations, and charting a course towards a more equitable and sustainable future. Together, let us harness the power of knowledge and collaboration to address today's challenges and pave the way for a brighter tomorrow.
